WEB DESCRIPTION

Universal, innovative flip case which, thanks to the Anti-Radiation System, effectively protects you against electromagnetic waves when you talk with the flip case closed. Inside you can find "JoinMe", the adhesive system that adapts to any type of smartphone. The case can be easily attached to your phone using the removable adhesive film that leaves no residue. The case does not obstruct and offers maximum protection so you can make the most of your phone's functions. The rear cover has a practical fold so that you can easily and quickly use your smartphone's camera.

FEATURES

Material:

- The Anti-Radiation System protects you efficiently from the radiation with the cover closed even while speaking
- The smartphone functions are not affected
- JoinMe: Removable adhesive fastening system suitable for all smartphone sizes
- Front flap for full device protection
- Anti shock padding
- The speaker holes allow to chat even with the flap closed
- Ultra-slim design
- Fold-and-shoot: the practical flap is foldable for easy access to the rear camera.
- Internal vertical pocket
- Two small suction cups fix the front flap to your smartphone screen
